

RV Lot Permit Application

Williston Eastview and Mountainview Condominium Associations

Third vehicles, trailers, boats, and other RVs must be stored in the RV lot at the end of Northview that serves Eastview Estates and Mountainview Estates, not in driveways or roadways. All vehicles stored in the RV lot must be owned by and registered in the name of a resident of Eastview or Mountainview and must be registered with property management .

Each unit owner or renter is allowed up to two (2) vehicles, plus one additional recreational vehicle.

Vehicles in violation will be ticketed or towed at owner's expense. A \$25.00 fine will be levied against the Unit Owner/Tenant. See Eastview Rules and Regulations.

REQUIREMENTS

- Any vehicle stored in the RV lot must have a permit approved by property management.
- Any vehicle stored in the RV lot must have the owner's unit number displayed in the windshield.
- All vehicles including motorcycles, snowmobiles, cars, trailers, and boats must have current registration and inspection stickers.
- All vehicles need to be in operational running condition.
- Unregistered or unidentified vehicles will be assumed to be abandoned and will be towed.
- RV Lot permit expires when the owner is no longer a resident of Eastview or Mountainview.
